

# THEA

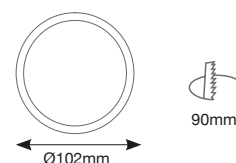

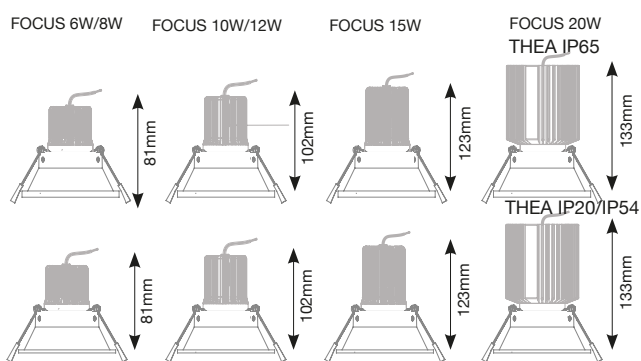

THEA is a circular decorative ceiling recessed spotlight suitable for TRYKA MR16 LED modules. A deep seated light source offering optimum glare control, it is available in various trim finishes to satisfy all designers needs.

The fixture is elegantly designed to meet the challenges of interior design requirements. THEA features a specially designed reflector that is available in various finishes.

Available in IP54 and IP65 version for damp locations.

Please order LED modules and related drivers separately.
