Adder-KIT

Adder

PRODUCT DESCRIPTION

Our Flexistrip ADDER family encompasses a full portfolio of flexible products, including low to high density LED population per metre with power and performance ranging from 2.4w to 19.2w per metre.

TRYKA provide a made-to-measure service whereby the product is supplied in custom lengths, in increments based upon the product cut points. Custom power ratings are available on request.

Categories: Flexible, Flexistrip
