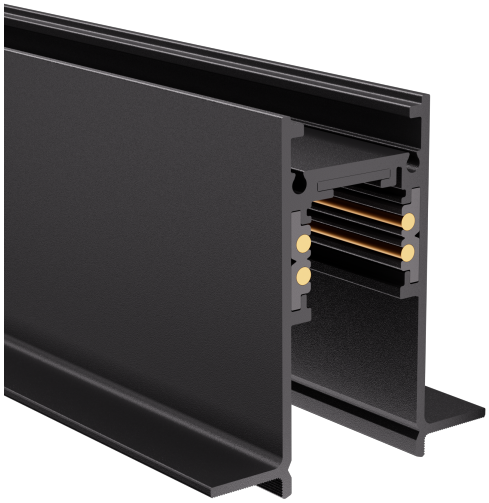
# Recessed Mounting Track Channel

## 48v Mounting Track



### PRODUCT DESCRIPTION

Recessed Magnetic Track combines refined aesthetics with reliable performance, seamlessly integrating into spaces for a clean, minimal finish. Crafted from high-quality extruded aluminium and fitted with gold-lined conductors, it ensures excellent electrical conductivity and long-term durability.

The precision-engineered snap-fit design allows for simple, tool-free installation and effortless adjustment of Tryka magnetic luminaires. Perfect for applications where discretion and visual continuity are key, the recessed track delivers a sleek, uninterrupted lighting solution.

A full range of connectors and accessories is available to support versatile design configurations.

**Categories:** Channel, Track
